

#PS62024

Thanksgiving Day

Parade Watch Party

PARKING PASS

Please place this pass on your dashboard | Parking in Structure 6 - Putnam Street

-  Welcome Center
-  Parking Structure 6

Due to road closures on and around campus, we recommend allowing yourself plenty of time to navigate to the parking structure in case you encounter any difficulties getting to campus. We suggest using Google Maps for the best route.

Regardless of which highway you're using to enter Detroit, you will not be able to cross Woodward coming from east to west near the parade route the day of the event.

Please have your parking pass visible to show Detroit or WSU Police as you drive down Cass Ave. Staff will be on hand to direct you into and out of Structure 6.

Please remember Parking Structure 6 will close at 1PM and you must exit before that time.
