

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Autism Speaks	Mental Health	2019 Adult Transition Research Grants	3/13/2019	\$250,000	\$750,000	Grant terms up to 3 years; LOI only; full proposals invited in late March with a due date of 5/23/2019	Supports evidence-based scalable practices leading to improved postsecondary employment, education, community living and other key outcomes relevant to adolescents and young adults with autism spectrum disorder (ASD).	Online Application	https://science.grants.autismspeaks.org/uploads/helpdocs/adult_transition_research_RFA_2019.pdf
Braitmayer Foundation	Education	Innovative K-12 Program Grants	3/15/2019		\$35,000	LOI only; full proposals will be invited by 8 /1 with a due date of 10/15	Supports curricular and school reform initiatives, and preparation and professional development opportunities for teachers, particularly those designed to encourage people of high ability and from diverse backgrounds to enter and remain in K-12 teaching.	Online Application	https://www.braitmayerfoundation.org/guidelines/
Kenneth Rainin Foundation	Health	Innovator Awards	3/15/2019		\$200,000	LOI only; one-year grant, but recipients may be eligible for up to two years of additional funding	Supports high-risk research on the prediction and prevention of inflammatory bowel disease (IBD). Research may be basic science, clinical or translational. There is a preference is for collaborative research.	Online Application	http://krfoundation.org/health/grants/innovator-awards/guidelines/
Comerica Charitable Foundation	Various	Education, Economic and Community Development, and Human Services	3/15/2019	\$5,000	\$50,000		Comerica's grant making is focused on: education for low-and moderate-income (LMI) individuals and families; economic/community development support for programs that promote and enhance opportunities for LMI families and communities; and human services programs that enhance and protect the health and well-being of LMI individuals and families. Must coordinate with Corporate Relations.	Online Application	https://www.comerica.com/about-us/community-involvement/charitable-giving.html
Michigan Masonic Charitable Foundation	Youth	Masonry's B.E.S.T. Community Grant	3/15/2019	\$5,000	\$50,000		The Masonry's B.E.S.T community grant program is most interested in projects that focus on the need of our youth. In general, priority is given to those grant ideas that: increase the capacity of the community to participate in identifying needs and developing and implementing solution; develop self-reliance; targets gaps in services; mirror the diversity of our community; solve or address critical local needs; focus on prevention; encourage collaboration and cooperation among charities; and unite and build our communities.	Online Application	https://mmcf.fluidreview.com/res/p/guidelines/

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Colorectal Cancer Alliance	Health	Colorectal Cancer Prevention Grants	3/18/2019		\$150,000	2-year grant period	Grant proposals must demonstrate substantial potential for impact on prevention/early detection of colorectal cancer. Primary prevention focuses on efforts to prevent colorectal cancer before it ever occurs, and secondary prevention focuses on efforts to reduce the impact of disease that has already occurred such as early detection.	Online Application	https://www.ccalliance.org/funding-research/colorectal-cancer-prevention-grant-guidelines
Robert Wood Johnson Foundation	Health	Harold Amos Medical Faculty Development Program	3/22/2019		\$420,000	4-year grant period	The Harold Amos Medical Faculty Development Program offers four-year postdoctoral research awards to physicians, dentists, and nurses from historically disadvantaged backgrounds who are committed to developing careers and achieving senior rank in academic medicine, dentistry, or nursing; fostering the development of succeeding classes of physicians, dentists, and nurses from historically disadvantaged backgrounds; improving the health of underserved populations; and/or working toward understanding and eliminating health disparities by achieving senior rank in academic medicine, dentistry, or nursing. Must coordinate with Foundation Relations	Online Application	http://www.amfdp.org/wp-content/uploads/2019/02/CFA_MFD19_FINAL.pdf
Kresge Foundation	Health	Community Based Climate Change, Health & Equity strategy	3/19/2019		\$100,000	LOI only; full proposals by invitation only	Supports programs at the local, regional, and/or state level that have the potential to advance the adoption and implementation of climate mitigation, climate adaption, and climate resilience policies. Following a fourteen-month planning phase, up to twelve organizations will be invited to apply for multi-year implementation grants. Must coordinate with Foundation Relations	Online Application	https://kresge.org/library/request-proposals-community-based-climate-change-health-equity-strategy
NoVo Foundation	Education	Social and Emotional Learning initiative Grants	3/22/2019	\$5,000	\$50,000	1-2 year grant periods	Supports projects designed to advance social and emotional learning in classrooms across the United States. The foundation is focused on educators as key catalysts in supporting all students and changing schools, and is interested in supporting programs and systems designed to foster greater compassion, build skills in people and groups to be able to work through differences and problems, and lessen incidents of violence and vulnerabilities to all forms of harm. Must coordinate with Foundation Relations	Online Application	https://education-first.com/wp-content/uploads/2019/02/NoVo-SEL-InnovationAward-2019-RFP.pdf
Craig H. Neilsen Foundation	Mental Health	Psychosocial Research Grants: Studies and Demonstration Projects	3/25/2019		\$400,000	3-year grant period; application opens 2/1/2019	Supports research that addresses the interrelation of behavior, social, psychological and other quality of life factors that will benefit people living with spinal cord injury. Three-year studies and demonstration projects encourage innovative and substantive studies that fill important gaps in the spinal cord injury field, that open new areas of psychosocial research, and/or that develop and evaluate interventions to address psychosocial issues after spinal cord injury.	Online Application	http://chnfoundation.org/psychosocial-research/

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Organization for Autism Research	Mental Health	Applied Research Competition	3/25/2019		\$40,000	LOI only; full proposal invitations will be in mid-June	Supports studies that expand the body of knowledge related to autism intervention and treatment, produce practical and clearly objective results, have the potential to impact public policy, and provide outcomes that offer to enhance quality of life for persons with autism and their families.	Online Application	https://researchautism.org/research-grants/apply-for-a-grant/applied-research/
McKnight Foundation	Health	Memory & Cognitive Disorders Awards	3/25/2019	\$100,000	\$300,000	LOI only; full proposal due 9/3/2019; 3-year grant period max	The Foundation is interested in proposals that address memory or cognition under normal and pathological conditions. This includes proposals that address mechanisms of memory or cognition at the synaptic, cellular, molecular, genetic or behavioral level in animals, including humans. We are particularly interested in proposals that incorporate fundamentally new approaches, as well as those that involve human experimentation. Collaborative and cross-disciplinary applications are encouraged. Must coordinate with Foundation Relations.	Online Application	https://www.mcknight.org/programs/the-mcknight-endowment-fund-for-neuroscience/memory-cognitive-disorders-awards/how-to-apply/
Fahs-Beck Fund	Mental Health	Faculty/Post-Doctoral Research Grants	4/1/2019		\$20,000	Grant period of up to 2 years	Supports studies designed to develop, refine, evaluate, or disseminate innovative interventions designed to prevent or ameliorate major social, psychological, behavioral, or public health problems affecting children, adults, couples, families, or communities	Emailed Application	http://www.fahsbeckfund.org/pdf_files/Post_Doctoral_Guidelines.pdf
Muscular Dystrophy Association	Health	Clinical Research Grants	4/1/2019	\$100,000	\$300,000	Up to 3-year grant period	Supports researchers focused on the understanding and treatment of neuromuscular disease, including natural history studies, clinical biomarker studies, outcome measure studies, non-interventional clinical research studies, and clinical trials of existing, approved, or repurposed drugs or non-drug interventions. The program also supports clinician-scientists in training, research networks, and travel costs to conferences.	Online Application	https://www.mda.org/science/funding-opportunities
American Cancer Society	Health	The Role of Health Policy and Health Insurance in Improving Access to and Performance of Cancer Prevention, Early Detection, and Treatment Services	4/1/2019	\$165,000	\$1,000,000	Grant period up to 5 years	Supports research that evaluates the impact of the many changes now occurring in the healthcare system with a particular focus on cancer prevention, control, and treatment. Efforts focusing on improving access to care may also impact inequities that contribute to health disparities. Research to be funded by this RFA should focus on the changes in national, state, and/or local policy and the response to these changes by healthcare systems, insurers, payers, communities, practices, and patients.	Online Application	https://www.cancer.org/research/we-fund-cancer-research/apply-research-grant/grant-types/rfa-role-healthcare-insurance-cancer.html

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
American Cancer Society	Health	Pilot and Exploratory Projects in Palliative Care of Cancer Patients and Their Families	4/1/2019	\$165,000	\$660,000	Up to a 4-year grant period	Funds investigators performing pilot and exploratory research studies with the purpose of testing interventions, developing research methodologies, or exploring novel areas of research in palliative care for cancer patients and their families. A condition of funding is a clearly defined plan as to how the investigator will use the results of the project to develop larger, extramurally funded research projects.	Online Application	https://www.cancer.org/content/dam/cancer-org/research/extramural-grants-documents/pilot-and-exploratory-projects-in-palliative-care-of-cancer-patients-and-their-families.pdf
American Cancer Society	Health	Research Scholar Grants	4/1/2019	\$165,000	\$660,000	Up to a 4-year grant period; investigators in the first 6 years of an independent research career or faculty appointment are eligible to apply. Eligibility is extended for 8 years for clinician scientists who remain active in clinical care.	Supports investigator-initiated projects across the cancer research continuum.	Online Application	https://www.cancer.org/research/we-fund-cancer-research/apply-research-grant/grant-types/research-scholar-grants.html
Henry Luce Foundation	Arts and Humanities	American Art Program Grants	4/1/2019	\$100,000	\$300,000	LOI only; final proposals due 6/1/2019	Supports scholarly loan exhibitions that significantly advance the study and understanding of art of the United States, including all facets of Native American art. Must coordinate with Foundation Relations.	Online Application	http://www.hluce.org/american-art-exhibition-comp.aspx
IBM Center for the Business of Government	Social Science	Research Report Stipends	4/1/2019		\$20,000	Report manuscript should be submitted no more than 6 months from the start of the project	Supports the production of reports on the use of rigorous public management research and analytic techniques to help public sector executives and managers improve the effectiveness of government. IBM is looking for very practical findings and actionable recommendations - not just theory or concepts - in order to assist executives and managers to more effectively respond to mission and management challenges. Must coordinate with Corporate Relations	Online Application	http://businessofgovernment.org/node/2688
Scoliosis Research Society	Health	Research Grants	4/1/2019	\$10,000	\$50,000	New Investigator and Small Exploratory grants are for 1 year only; SRS-Cotrel Foundation and Standard Research grants are for 2 years only	Supports clinical research on spinal deformities, with a focus on idiopathic scoliosis, etiology, non-op and operative treatment 3D deformity of the spine and thorax, adult deformity, treatment and outcomes, osteoporosis, osteoporotic spine fractures, how it impacts scoliosis kyphosis management how it relates to spinal deformity and instrumentation, early onset scoliosis treatment, sagittal imbalance, congenital scoliosis, H28 neuromuscular spinal deformity, deformity and reconstruction arising from spine and sacral tumor treatment, thoracic insufficiency children associated with spinal deformity, pulmonary outcome sequelae following common natural history of spine deformity and treatment history.	Online Application	https://www.srs.org/professionals/research-and-journal/research-grants

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
American Psychological Foundation	Mental Health	Visionary Grants Program	4/1/2019		\$20,000	PIs must be within 10 years of their terminal degree	Supports programs that use psychology to address social problems in one of four priority areas: violence prevention; understanding the connection between behavior and health (e.g., wellness, diabetes, obesity); understanding and eliminating stigma and prejudice (e.g., race, gender, sexual orientation, religion, age, disability, and socioeconomic status); and applying psychology to vulnerable, at-risk populations (e.g., serious mental illness, returning military, those who are incarcerated, and the economically disadvantaged). Preference will be given to pilot projects that, if successful, would be strong candidates for support from major federal and foundation funding agencies as well as "demonstration projects" that promise to generalize findings broadly to similar settings.	Online Application	https://www.apa.org/af/funding/visionary?tab=1
Angelman Syndrome Foundation	Health	Biannual Research Grants	4/15/2019	\$100,000	\$200,000	Grant period of up to 2 years	Supports pre-clinical, translational, and clinical research projects that investigate any or all aspects of Angelman syndrome. Priority will be given to pilot projects that test new ideas about pathogenesis and therapeutics of Angelman syndrome, translational research, and clinical research studies. Of particular interest are studies related to communication, behavioral issues, and identification of issues and treatments that impact the daily life of people with Angelman syndrome and their families.	Emailed Application	https://www.angelman.org/research/call-for-proposals/
Community Foundation for Southeastern Michigan	Various	Detroit Auto Dealers Association Grants	4/15/2019	\$10,000	\$50,000	One-year grant	Supports programs that benefit children (pre-K - 12) in Wayne, Oakland, Macomb, Monroe, Washtenaw, St. Clair or Livingston counties. Must coordinate with Foundation Relations.	Online Application	https://cfsem.org/special-opportunities/detroit-auto-dealers-association/
National Psoriasis Foundation	Health	Bridge Grants	4/15/2019	\$50,000	\$100,000	1-year grant period; up to \$50,000 for K-type proposals or up to \$100,000 for R-type proposals	Supports researchers who have submitted an exemplary but unfunded K-type (career development) or R-type application to the National Institutes of Health or similar funding body, with a focus on psoriatic disease or related co-morbidities.	Online Application	https://www.psoriasis.org/sites/default/files/2019_bridge_nihequivalent_rfp.pdf
Whitehall Foundation	Health	Research Grants or Grants-in-Aid	4/15/2019	\$30,000	\$300,000	1-4 year grant period; does not award funds to investigators who have substantial (\$200,000 or more) existing or potential support, even if it is for an unrelated purpose; LOI only	Supports basic research in neurobiology, defined as follows: invertebrate and vertebrate (excluding clinical) neurobiology, specifically investigations of neural mechanisms involved in sensory, motor, and other complex functions of the whole organism as these relate to behavior. The overall goal should be to better understand behavioral output or brain mechanisms of behavior. The Foundation does not support research focused primarily on disease unless it will also provide insights into normal functioning.	Mailed Application	http://www.whitehall.org/grants/

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Michigan Health Endowment Fund	Health	Behavioral Health	4/23/2019		\$500,000	Concepts due to Foundation Relations by March 15; Full proposal due April 23	Supports innovative and patient-centered integration models, projects that increase capacity of an existing workforce, and other evidence-based behavioral health programs. Our grantees in this area are creating lifelines and transforming the healthcare landscape to propel Michigan as a leader in behavioral health. One or two-year grant periods, total request cannot exceed \$500,000. This RFP is coordinated internally through Foundation Relations. Two-page concepts encouraged and due to Foundation Relations for review and feedback by March 15 (deadline extended from March 12). Foundation Relations manages submission of concepts and proposals centrally.	Online Application	https://www.mihealthfund.org/grantmaking/behavioral-health-initiative
J.M. Kaplan Fund	Various	J.M.K. Innovation Prize	4/30/2019		\$175,000	Up to 3-year grant period; LOI only, final applications will be invited in late Spring	Supports early-stage innovators helping creative projects that stand to benefit numerous individuals, communities, and/or sectors. Project priorities include the preservation of natural resources and mitigation of the environmental impact of climate change; heritage conservation; and social justice-focused reforms of the criminal justice and immigration systems in the United States. In addition to funding, the award includes significant in-kind support, including mentoring, community-driven learning experiences, media training, and resources for board/organizational development. Must coordinate with Foundation Relations.	Online Application	https://www.jmkfund.org/wp-content/uploads/2019/01/JMK-Innovation-Prize-2019.pdf
The Elsa U. Pardee Foundation	Health	Cancer Research Grants	4/30/2019		\$200,000	One-year grant	Supports research directed toward identifying new treatments or cures for cancer. The Foundation particularly encourages grant applications which will allow establishment of capabilities of new cancer researchers, or new cancer approaches by established cancer researchers. It is anticipated that this early stage funding may lead to subsequent and expanded support using government agency funding.	Online Application	https://pardeefoundation.org/how-to-apply/
The Lawrence Foundation	Various	Environment, Human Services, Disaster Relief, and other	4/30/2019	\$5,000	\$10,000		The mission of the foundation is to make a difference in the world by providing contributions and grants to organizations that are working to solve pressing educational, environmental, health and other issues.	Online Application	http://www.thelawrencefoundation.org/grants/
William T. Grant Foundation	Social Science	Inequality Research Grants	5/1/2019	\$100,000	\$600,000	LOI only; full proposals will be invited within 8 weeks of the LOI submission; full proposal due dates vary; typical grants are for 2-3 years of support	Supports research that focuses on ways to reduce disparities in youth's academic, behavioral, social, and economic outcomes. Priority will be given to projects related to inequality on the basis of economic, racial/ethnic, and language backgrounds; research that explores other areas of inequality also will be considered based on a compelling case for its impact. Must coordinate with Foundation Relations.	Online Application	http://wtgrantfoundation.org/library/uploads/2018/11/2019-Research-Grants-App-Guide--RI.pdf

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Wenner-Gren Foundation	Arts and Humanities	Post-Doctoral Research Grants Program	5/1/2019		\$20,000	No constrained grant period. Applicants notified of results six-months after submission.	Contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to be a source of vibrant and significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation. The Foundation supports research that demonstrates a clear link to anthropological theory and debates, and promises to make a solid contribution to advancing these ideas.	Online and hardcopy application	http://www.wennergren.org/programs/post-phd-research-grants
James S McDonnell Foundation	Education	Teachers as Learners Program	5/5/2019	\$500,000	\$2,500,000	Pre-proposal only, final application by initiation only; 5-year grant period	Supports research projects focused on teacher perception toward, as well as facilitation of, communication within the classroom. Examples include teachers' use of classroom questions, capacity to guide collaborative discussions, and ability to elicit student explanations. Digital, verbal, written, and gestural modes of communication will be considered.	Online Application	https://www.jsmf.org/apply/teachers-as-learners/guidelines.htm
Gerber Foundation	Health	Research Awards	5/15/2019	\$20,000	\$300,000	1-3 grant period	Projects should focus on issues faced by care providers that, when implemented, will improve the health, nutrition and/or developmental outcomes for infants and young children. The board is particularly looking for practical solutions that can be easily and rapidly implemented on a broad scale with a predictable time frame to clinical application.	Online Application	http://www.gerberfoundation.org/focus-areas/
Russell Sage Foundation	Social Science	Behavioral Economics	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Supports novel research that uses insights and methods from psychology, economics, sociology, political science and other social sciences to examine and improve social and living conditions in the United States. The foundation seeks investigator-initiated research proposals that will broaden understanding of the social, economic and political consequences of actual behaviors and decisions. Must coordinate with Foundation Relations.	Online Application	https://www.russellsage.org/research/funding/behavioral-economics
Russell Sage Foundation	Social Science	Social, Political and Economic Inequality	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Seeks investigator-initiated research that will contribute to our understanding of social, political, and economic inequalities and the mechanisms by which they influence the lives of individuals and families in the U.S. Must coordinate with Foundation Relations.	Online Application	https://www.russellsage.org/research/funding/social-inequality

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Russell Sage Foundation	Social Science	The Social, Economic, and Political Effects of the Affordable Care Act	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Supports research that addresses the extent to which the ACA has affected outcomes such as financial security and family economic wellbeing, labor supply and demand, family and children's outcomes, and participation in other social safety net programs. We are also interested in analyses of the political effects of the implementation of the law, including changes in views about government, support for future government policy changes, or the impact on policy development outside of health care. Must coordinate with Foundation Relations	Online Application	https://www.russellsage.org/research/funding/affordable-care-act
Russell Sage Foundation	Social Science	Integrating Biology and Social Science Knowledge	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Supports innovative social science research on social and economic outcomes that improves our understanding of the interactive mechanisms by which environmental influences affect biological mechanisms, and vice versa. This includes research that: (1) estimates how the structured nature of the social environment and intra- and intergenerational social inequalities affect biological processes, (2) identifies which indicators of biological processes interact with the social environment to affect different life domains and how, and (3) yields new conceptual frameworks that holistically characterize the complex relationships among biological, psychological and environmental factors to predict a range of behavioral and social outcomes. Must coordinate with Foundation Relations	Online Application	https://www.russellsage.org/research/funding/bioss
Russell Sage Foundation	Social Science	Decision Making and Human Behavior in Context	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Supports innovative research on decision making across the social sciences that examines causes, consequences, processes, or context from a behavioral or alternative perspective. Will support a wide range of research on decision-making in context by scholars in psychology, political science, sociology, and other social science fields who are pursuing questions consistent with the aims of the Foundation. Must coordinate with Foundation Relations	Online Application	http://www.russellsage.org/funding/decision-making-and-human-behavior-context
Russell Sage Foundation	Social Science	Race, Ethnicity, and Immigration	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Supports research questions about any one or more of the three topics encompassed by this program—race, and/or ethnicity, and/or immigration. Examples of the kinds of topics and questions that are of interest include, but are not limited to, the following: the effects of stratification by race, ethnicity, and immigrant status on social, economic, and political outcomes of different groups; American institutions' response to increasing diversity in the population; the role of legal status in immigrant outcomes; and ethnic and racial socialization and identity formation. Must coordinate with Foundation Relations.	Online Application	https://www.russellsage.org/research/funding/race-ethnicity-immigration
Russell Sage Foundation	Social Science	Immigration and Immigrant Integration	5/23/2019	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Seeks to support innovative research on the effects of race, citizenship, legal status and politics, political culture and public policy on outcomes for immigrants and for the native-born of different racial and ethnic groups and generations. This initiative falls under RSF's Race, Ethnicity, and Immigration Program and represents a special area of interest within the core program, which continues to encourage proposals on a broader set of issues. Must coordinate with Foundation Relations.	Online Application	https://www.russellsage.org/research/funding/race-ethnicity-immigration

Upcoming Opportunities - March 2019

Tell Every Amazing Lady® About Ovarian Cancer Louisa M. McGregor Ovarian Cancer Foundation	Health	2019 Medical Research Program	5/31/2019		\$40,000	Salary and indirect costs are not eligible	Supports advanced medical research into ovarian cancer.	Online Application	https://docs.google.com/forms/d/1Vqj5ahAPJhoSkfjM-uFkXEtbtkkA_TdU0dbj3bCTt8g/viewform?editrequested=true
Herb Block Foundation	Various	Encouraging Citizen Involvement	6/5/2019	\$5,000	\$25,000	LOI only; full proposals due 8/7/2019; 1-year grant period only	Supports programs that promote citizen education and greater voter participation in the electoral process. All projects must be nonpartisan and may not involve lobbying for specific legislation or candidates.	Online Application	https://www.herblockfoundation.org/grant-programs/encouraging-citizen-involvement
Oncology Nursing Foundation	Health	Research Grant	8/15/2019		\$25,000	LOI only, full proposal due 9/15/19; grant period of up to 2 years; PI must be actively involved in some aspect of cancer patient care, education, or research, and be PhD- or DNSc-prepared	Supports pilot or feasibility studies or the development of a new aspect of a program of research. Funding preference is given to research that addresses the ONS Research Priorities and/or the ONS Research Agenda.	Online Application	http://www.onsfoundation.org/funding-for-nurses/research/research-grant
A Kids' Brain Tumor Cure Foundation	Health	Brain Tumor Research Grants	Rolling	\$100,000	\$500,000	LOI only; funding may be from 1-3 years	Supports basic and translational research that can advance understanding of the underlying biology of the development and treatment of PLGA tumors	Online Application	https://akidsbraintumorcure.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/
Simons Foundation	Science	Mathematics and Physical Sciences	Rolling	\$10,000	\$500,000	LOI submission only. Applicants notified of a decision within two months of LOI submission.	The program is intended to support high-risk theoretical mathematics, physics and computer science projects of exceptional promise and scientific importance on a case-by-case basis. Must coordinate with Foundation Relations.	Online application	https://www.simonsfoundation.org/grant/targeted-grants-in-mps/
Cigna Foundation	Health	World of Difference Grants	Rolling		\$100,000	LOI submission only	The overall World of Difference focus is health equity, helping people overcome barriers to their health and well-being related to factors such as ethnicity, race, gender, age, geography, or economics. Cigna is interested in innovative, USA-based Community Health Navigation, which includes projects and programs aimed at connecting individuals to better health through the efforts of trusted neighbors and organizations. Must coordinate with Corporate Relations.	Online Application	http://www.cybergrants.com/cignagiving/

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Comcast	Computer Science	Research Grants	Rolling	\$3,000	\$100,000	Typically supports one-year projects. Will consider multi-year projects but will only fund one phase at a time with no guarantee of continued funding.	Research Grants can be general or targeted. A general research grant provides an unrestricted award of funds to support researchers. These grants are focused on supporting excellent technical research in a wide variety of fields that are relevant to the broadband industry and/or to Comcast specifically. Targeted research grants are more narrowly tailored and typically study more specific issues. Must coordinate with Corporate Relations.	Online Application	http://innovationfund.comcast.com/
Comcast	Computer Science	Open Source Development Grants	Rolling	\$3,000	\$100,000	Typically supports one-year projects. Will consider multi-year projects but will only fund one phase at a time with no guarantee of continued funding.	Open Source Development Grants are intended to fund new or continued development of open source software in areas of interest to Comcast or of benefit to the Internet and broadband industries. Must coordinate with Corporate Relations.	Online Application	http://innovationfund.comcast.com/
Smith Richardson Foundation	Social Science	Domestic Public Policy Program	Rolling	\$25,000	\$104,000	Concept papers accepted, full proposals invited.	The Domestic Public Policy Program supports projects that will help the public and policy makers understand and address critical challenges facing the United States. To that end, the Foundation supports research on and evaluation of existing public policies and programs, as well as projects that inject new ideas into public debates. Must coordinate with Foundation Relations.	Mail	https://www.srf.org/programs/domestic-public-policy/
Lockheed Martin	Education	STEM education and military and veteran causes	Rolling			One-year grants.	Lockheed Martin is committed to a program of philanthropy that supports the Corporation's strategic business goals and invests in the quality of life in the communities where our employees work and live. Must coordinate with Corporate Relations.	Online Application	http://www.lockheedmartin.com/us/who-we-are/community/philanthropy.html
Robert Wood Johnson Foundation	Health	Evidence for Action: Investigator-Initiated Research to Build a Culture of Health	Rolling	\$185,000	\$440,000	Grant period is up to 36 months.	Supports rigorous, high-impact, creative research projects to build and disseminate information for evidence-based approaches to building a Culture of Health. The program will also support efforts to assess outcomes and set priorities for action by encouraging and supporting creative, rigorous research on the impact of innovative programs, policies and partnerships on health and well-being, and on novel approaches to measuring health determinants and outcomes. Must coordinate with Foundation Relations.	Online Application	https://anr.rwjf.org/viewCfp.do?cfpld=1224&cfpOverviewId=
Thrasher Research Foundation	Health	E.W. Al Thrasher Award	Rolling	\$100,000	\$500,000	Awards grants two times per year, with no fixed number of awards given in each funding cycle or in each year.	Funds to improve children's health through medical research, with an emphasis on projects that have the potential to translate into clinically meaningful results within a few years. Open to applications that address a variety of significant pediatric problems. Both incidence and severity are considered when determining the significance of the proposed topic.	Email LOI	https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Investigator Initiated Research Program	Rolling	\$50,000	\$75,000	If the project is exceptional, they will consider increasing or extending funding.	To make a significant contribution to health care knowledge and its application to improve health by supporting research and effective demonstration and evaluation projects and developing innovative and socially responsive health initiatives. Must coordinate with Corporate Relations.	Mail application	http://www.bcbsm.com/content/dam/microsites/foundation/investigator-initiated-program.pdf

Upcoming Opportunities - March 2019

Please contact Gayle Foley-McAleenan (fz8071@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Physician-Investigator Research Award	Rolling		\$10,000	Does not support basic science, biomedical research, or studies using animals.	Enables physicians to explore the merits of a research idea who propose a pilot study, feasibility study or small research study. Must coordinate with Corporate Relations.	Mail application	http://www.bcbsm.com/content/dam/microsites/foundation/physician-investigator.pdf
A Kids' Brain Tumor Care Foundation	Health	PLGA Tumor Research	Rolling	\$50,000	\$300,000	LOI submission only; grant periods range from 1-3 years	Supports basic and translational research projects that can advance understanding of the underlying biology of the development and treatment of pediatric low-grade glioma (PLGA) tumors.	Online LOI	https://akidsbraintumorcare.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/
Autism Speaks	Health	Suzanne and Bob Wright Trailblazer Award Program	Rolling		\$100,000	Applicants must have a track record of research experience.	Funding is restricted to projects that identify risk factors for ASD that can lead to prevention and improved diagnosis and treatment; lower the age at which ASD is detected and improve access to early intervention for children with ASD; enhance quality of and access to medical care for individuals with ASD; promote the development of safe, effective interventions and medicines to reduce core and associated symptoms of ASD throughout an individual's lifespan; and improve the health and outcomes of adults with ASD from a lifetime perspective.	Online Application	http://www.autismspeaks.org/sites/default/files/docs/sciencedocs/grants/trailblazer_rfa_2013_4-2-13.pdf
Arcus Foundation	Social Science	Social Justice Grants	Rolling	\$25,000	\$500,000	Initial Funding Concept is due before LOI.	Working on national, regional, and international levels, Arcus contributes to the development of a global movement integrating sexual orientation and gender identity into shared conceptions of human rights. Applications are accepted for International Human Rights, U.S. Social Justice, or Global Religions.	Online Application	http://www.arcusfoundation.org/what-we-support/social-justice-lgbt/
Michael J. Fox Foundation for Parkinson's Research	Health	Rapid Response Innovation Awards	Rolling		\$75,000		Supports innovative, high-risk, high-reward projects tackling critical scientific and therapeutic roadblocks that, if successful, open new avenues for PD therapy development. The program is well suited to projects with little-to-no existing preliminary data, but where hypothetical rationale is highly compelling and study results can make the case for continuing (or discontinuing) a line of research. Applicants may submit on any PD-relevant area of basic, preclinical and/or clinical research with a clear, achievable one-year goal.	Online Application	https://www.michaeljfox.org/research/grant-detail.php?id=3
Public Welfare Foundation	Social Science	Juvenile Justice	Rolling	\$10,000	\$800,000	Does not fund scholarships.	Supports groups working to end the criminalization and over incarceration of youth in the United States. In particular, the Program makes grants to groups that are working to (1) Advance state policies that restrict the juvenile justice system's use of incarceration and expand the use of community-based programs for youth, (2) End the practice of trying, sentencing, and incarcerating youth in the adult criminal justice system; and (3) Promote the fair and equitable treatment of youth of color who come into contact with the juvenile justice system. Must coordinate with Foundation Relations.	Online Application	http://www.publicwelfare.org/grants-process/

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Home Depot	Community Development	Community Impact Grants	Rolling		\$5,000	Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services.	Grants for projects that use the power of volunteers to improve the physical health of the community. The primary goal of the grant program is to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities. The 2018 program opened on February 1, 2018. This is a limited submission opportunity. Must coordinate with Corporate Relations.	Online Portal	https://corporate.homedepot.com/grants/community-impact-grants
Wish You Well Foundation	Education	Grant Program	Rolling	\$200	\$10,000		Supporting family literacy in the United States by fostering and promoting the development and expansion of new and existing literacy and educational programs.	Online or Mail Application	http://www.wishyouwellfoundation.org/apply-for-funding/
The Nathan Cummings Foundation	Science	Climate Program	Rolling	\$3,000	\$950,000		Supports promising work that addresses climate change by increasing access to modern energy for the world's poor; stabilizing greenhouse gas concentrations in the atmosphere at a low level; and improving resilience for those most vulnerable to the negative consequences of climate variability and change.	Electronic Application	http://ncf.org/what-we-fund/our-focus/climate
Merck	Health	Patient Advocacy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Patient Advocacy grants are provided to non-profit organizations to support non-accredited independent education and related advocacy activities that seek to improve consumer/patient disease and treatment awareness in specific disease categories. Examples of activities that may be eligible for support include disease awareness campaigns and public service announcements.	Online Application	https://www.mercksupport.com/cme/(S(ah1raj45mlsfx355ci02co2b))/Portal/PatientAdvo.aspx#
Merck	Health	Public Policy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Public Policy grants support independent events or activities that (1) promote public policies that foster an environment for innovation in the bioscience industry or improve patient access to medicines or health care in general; or (2) facilitate opportunities to engage in constructive discussions on policy issues with organizations representing state or federal officials. Eligible organizations are 501c(3), 501c(4), or 501c(6) organizations and include groups representing federal officials.	Online Application	https://www.mercksupport.com/cme/(S(uegyx33re0bcykfpshnkb55))/Portal/Support.aspx
Simons Foundation Autism Research Initiative	Health	Explorer Awards RFA	Rolling		\$60,000	Grant period is for 1 year (non renewable)	Grants for a deeper understanding of the mechanisms underlying autism spectrum disorders or potential therapeutic approaches will require investigation at multiple levels, including but not limited to studies focused on gene discovery, molecular mechanisms, circuits, anatomy, and cognition and behavior. The Foundation will consider proposals at all of these levels.	Online Application	http://sfari.org/funding/grants/explorer-awards-rfa
Public Welfare Foundation	Social Science	Criminal Justice	Rolling		\$750,000	Most grants are 1 or 2 years in length.	Supports groups working to end over incarceration of adult offenders in the United States, also aiming to reduce racial disparity. Must coordinate with Foundation Relations.	Online Application	http://www.publicwelfare.org/grants-process/program-guidelines/
