

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Earlier.org	Health	Earlier Breast Cancer Test Invites	12/15/2018		\$40,000	Grants periods of 1 -3 years; Funds will not be awarded to enhance ongoing research unless it is clear that a new line of inquiry is being explored	Supports pilot research projects focused on improving the detection of early-stage breast cancer. Priority will be given to projects that lead to the development of new techniques in the areas of biological or immunologic methods of early detection.	Email submission	<a href="http://www.earlier.org/prospective">http://www.earlier.org/prospective</a>
Alex's Lemonade Stand Foundation	Health	Young Investigator Grant	12/17/2018	\$50,000	\$100,000	Grants periods of 1-3 years; applicant must not currently hold an NIH independent (R or P Award) or individual training (F or K Award) grant	Supports early-career investigators in pediatric cancer research.	Online Application	<a href="https://www.alexlemonade.org/sites/default/files/2019_young_investigator_guidelines_final.pdf">https://www.alexlemonade.org/sites/default/files/2019_young_investigator_guidelines_final.pdf</a>
American Pain Society	Health	Rita Allen Award	12/17/2018	\$50,000	\$150,000	Grant will be made for up to 3 years; Pls should have been on a tenure track for no more than three years; grant funds may not be used for institutional overhead	Supports research projects directed toward the molecular biology of pain and/or basic science topics related to the development of new analgesics for the management of pain due to terminal illness.	Online Application	<a href="http://americanpainsociety.org/uploads/funding_opportunities/2019%20RAF%20Guidelines%20.pdf">http://americanpainsociety.org/uploads/funding_opportunities/2019%20RAF%20Guidelines%20.pdf</a>
American Federation for Aging Research	Health	Grants for Junior Faculty	12/17/2018		\$100,000	Grant periods of 1-2 years. Applicant must be no more than 10 years beyond start of postdoctoral research training as of July 1, 2019.	Supports research that will serve as the basis for longer term research efforts on the biology of aging. Studies will cover a broad range of biomedical and clinical topics related to aging, but does not support Alzheimer's Disease and/or related dementias research.	Email submission	<a href="https://www.afar.org/research/funding/afar-research-grants/">https://www.afar.org/research/funding/afar-research-grants/</a>
American Academy of Otolaryngology	Health	Centralized Otolaryngology Research Efforts (CORE) Grants	12/17/2018	\$5,000	\$80,000	LOI only; Full proposal due 1-15-19	Supports research in the field of otolaryngology-head and neck surgery.	Online Application	<a href="https://www.entnet.org/content/centralized-otolaryngology-research-efforts-core-grants-program">https://www.entnet.org/content/centralized-otolaryngology-research-efforts-core-grants-program</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherise Montgomery (an7026@wayne.edu or 7-1162) to discuss applications. Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Parkinson's Foundation	Health	Research Centers of Excellence	12/17/2018		\$2,000,000	LOI only; Full proposal due 4-1-19; awards are \$500k/year for 4 years; Up to 10% of the total award may be used towards indirect costs	Supports institutions that have or can recruit a team of scientists working in the field of Parkinson's disease. The team may all reside in the same geographical area and work at the same institution, or through a virtual center with scientists spread across regions and institutions. Preference will be given to applications which demonstrate cross-departmental or cross-institutional collaboration, bringing new approaches and perspectives to solving PD.	Online Application	<a href="https://www.parkinson.org/sites/default/files/PF-Research-Centers-of-Excellence-RFA.pdf">https://www.parkinson.org/sites/default/files/PF-Research-Centers-of-Excellence-RFA.pdf</a>
Pancreatic Cancer Action Network	Health	Translational Research Program	12/21/2018		\$500,000	Grant periods up to 2 years; Celgene Corporation will be involved with the funded project, will have access to project results such as progress reports and will have first negotiation rights for further project development.	Supports high-priority pancreatic cancer research that is poised for important translational next steps. For the purposes of this grant, translational research is defined according to the framework conceived by the Translational Research Working Group created under the auspices of the U.S. National Cancer Advisory Board. Specifically, the program supports research that follows fundamental discovery all the way through Phase I/II clinical trials.	Online Application	<a href="http://media.panacan.org/rsa/2018/2019-TRG-Guideline-And-Application-Instructions-FINAL.pdf">http://media.panacan.org/rsa/2018/2019-TRG-Guideline-And-Application-Instructions-FINAL.pdf</a>
McKnight Endowment for Neuroscience	Health	2019 McKnight Scholar Awards	1/7/2019		\$225,000	Grant period is 3 years; no indirect costs	Supports early investigator research into disorders of learning and memory. Preference is given to applicants working on problems that, if solved at the basic level, would have immediate and significant impact on clinically relevant issues.	Emailed Application	<a href="https://www.mcknight.org/programs/the-mcknight-endowment-fund-for-neuroscience/scholar-awards/">https://www.mcknight.org/programs/the-mcknight-endowment-fund-for-neuroscience/scholar-awards/</a>
National Multiple Sclerosis Society	Health	Pilot Program Grants	1/7/2019		\$44,000	One-year grant period	Funds high-risk pilot grants for the testing of novel ideas that may serve to advance the society's mission of stopping MS progression, restoring function in MS sufferers, and improving quality of life. The program supports fundamental as well as applied studies, non-clinical or clinical in nature, including projects in patient management, care, and rehabilitation.	Online Application	<a href="https://www.nationalmssociety.org/For-Professionals/Researchers/Society-Funding/Pilot-Research-Grants">https://www.nationalmssociety.org/For-Professionals/Researchers/Society-Funding/Pilot-Research-Grants</a>
William T. Grant Foundation	Multiple	Research Grants on Reducing Inequality	1/9/2018	\$100,000	\$600,000		<b>This opportunity supports projects related to inequality on the basis of economic, racial/ethnic, and language background. Research that explores other areas of inequality will also be considered. Research should focus on youth ages 5-25. Must coordinate with Foundation Relations.</b>	Online Application	<a href="http://wtgrantfoundation.org/grants/research-grants-reducing-inequality">http://wtgrantfoundation.org/grants/research-grants-reducing-inequality</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications. Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Community Foundation for Southeast Michigan	Multiple	Ralph C. Wilson, Jr. Legacy Funds	1/11/2019	\$10,000	\$50,000	One-year grant	Supports projects within southeast Michigan that assist caregivers of persons who are unable to fully care for themselves and are part of an underserved community; serve to increase the walkability and bikeability of local communities and/or increasing outdoor recreational activities within the region; or bring high-quality sports programs to youth. <b>Must coordinate with Foundation Relations.</b>	Online Application	<a href="https://cfsem.org/special-opportunities/ralph-c-wilson-jr-legacy-funds/">https://cfsem.org/special-opportunities/ralph-c-wilson-jr-legacy-funds/</a>
Simons Foundation Autism Research Initiative (SFARI)	Health	Research Award	1/11/2019		\$1,300,000	Up to 20% indirect costs; grant period up to 4 years	This initiative supports the investigation of key unresolved research questions in autism, particularly those that connect genetic etiologies to brain function and behavior. Unlike the SFARI Pilot Award, the Research Award welcomes risk and novelty, but these are not required criteria for a proposal to be considered meritorious. <b>Must coordinate with Foundation Relations.</b>	Online Application	<a href="https://www.sfari.org/grant/research-awards-request-for-applications">https://www.sfari.org/grant/research-awards-request-for-applications</a>
Hearing Health Foundation	Health	Emerging Research Grants	1/15/2019		\$125,000	Two-year grant period	Supports fundamental and clinical research that will significantly advance our understanding of disease mechanisms, or diagnosis and treatment of Mniere's Disease, the inner ear and balance disorder.	Online Application	<a href="https://hearinghealthfoundation.org/menieres-grants">https://hearinghealthfoundation.org/menieres-grants</a>
Arthritis National Research Foundation	Health	Research Grants	1/18/2019		\$100,000		Supports the study of the underlying mechanisms by which aging processes contribute to the development of arthritis. Studies are encouraged on the role of one or more of the hallmarks of aging that include mitochondrial dysfunction, genomic instability, epigenetic alterations, loss of proteostasis, deregulated nutrient sensing, cellular senescence, stem cell exhaustion, telomere attrition and altered intercellular communication.	Online Application	<a href="https://curearthritis.org/arthritis-aging-research-grant/">https://curearthritis.org/arthritis-aging-research-grant/</a>
American College of Sports Medicine Foundation	Health	Research Grants	1/18/2019		\$10,000	PI must be within 7 years of receiving their Ph.D.; must be a ACSM member in good standing to apply	Provides seed funding for mechanistic, hypothesis driven, basic and applied research in exercise science.	Online Application	<a href="https://www.acsm.org/acsm-membership/support-acsm-foundation/grants-and-financial-support/research-grants/research-endowment">https://www.acsm.org/acsm-membership/support-acsm-foundation/grants-and-financial-support/research-grants/research-endowment</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
National Psoriasis Foundation	Health	2019 Discovery Grants	1/18/2019		\$75,000	No indirect costs; one-year grant period only	Supports innovative research into psoriasis, psoriatic arthritis, and related comorbidities; applications related to all aspects of psoriatic disease are strongly encouraged, including basic science, translational research, technology, epidemiology, health services, and clinical research	Online Application	<a href="https://www.psoriasis.org/sites/default/files/2019_discovery_rfp.pdf">https://www.psoriasis.org/sites/default/files/2019_discovery_rfp.pdf</a>
Parkinson's Foundation	Health	Clinical Research Award	1/22/2019		\$200,000	2-year grant period; up to 10% indirect costs	Supports the research expenses of clinician scientists whose clinically oriented research involves people living with Parkinson's disease	Online Application	<a href="http://parkinson.org/research/Grant-Opportunities/clinical-research-awards">http://parkinson.org/research/Grant-Opportunities/clinical-research-awards</a>
Caplan Foundation for Early Childhood	Multiple	Early Childhood Welfare, Early Childhood Education and Play, and Parenting Education	1/31/2019	\$25,000	\$100,000	LOI only; will not fund the continuation of existing programs	<p><b>Early Childhood Welfare:</b> supports projects that seek to perfect child rearing practices and to identify models that can provide creative, caring environments in which all young children thrive.</p> <p><b>Early Childhood Education and Play:</b> supports the improvement of quality in both early childhood teaching and learning, through the development of innovative curricula and research based pedagogical standards, as well as the design of imaginative play materials and learning environments.</p> <p><b>Parenting Education:</b> supports programs that teach parents about developmental psychology, cultural child rearing differences, pedagogy, issues of health, prenatal care and diet, as well as programs which provide both cognitive and emotional support to parents. <b>Must coordinate with Foundation Relations.</b></p>	Online Application	<a href="https://earlychildhoodfoundation.org/">https://earlychildhoodfoundation.org/</a>
PhRMA Foundation	Health	Health Outcomes Program	2/1/2019		\$100,000	One-year grant period; Schools of medicine, pharmacy, public health, and nursing are eligible	Supports research on a broad spectrum of issues related to health-care delivery, from studies evaluating effectiveness of a pharmaceutical intervention, to the impact of reimbursement policies on outcomes of care. It also supports the development and use of tools to perform patient-based assessments to analyses of ways in which results of outcomes research are disseminated to providers or consumers to encourage behavior change. <b>Must coordinate with Corporate Relations.</b>	Online Application	<a href="http://www.phrmafoundation.org/wp-content/uploads/2018/05/HealthOutcomes-2019-Brochure-3.pdf">http://www.phrmafoundation.org/wp-content/uploads/2018/05/HealthOutcomes-2019-Brochure-3.pdf</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Spencer Foundation	Education	Small Research Grants	2/1/2019		\$50,000	Budgets may not include indirect cost charges. PIs and Co-PIs may only hold one active research grant from the Foundation at a time. PIs and Co-PIs may only submit one proposal at a time.	Supports educational research projects with a budget of \$50,000 or less. Projects may cover a range of topics and disciplines, including education, psychology, sociology, economics, history, and anthropology.	Online Application	<a href="https://www.spencer.org/small-research-grants-program-statement">https://www.spencer.org/small-research-grants-program-statement</a>
National League of Nursing	Health	NLN Nursing Education Research Grant	2/4/2019		\$25,000	To be eligible, principal investigators must be current NLN members, either through their school or through individual dues payment.	Supports high-quality studies that contribute to the development of the science of nursing education, promote diversity of research topics, and investigators who demonstrate rigor and innovative approaches to advance the field of nursing education research.	Online Application	<a href="http://www.nln.org/professional-development-programs/grants-and-scholarships/nursing-education-research-grants/nln-nursing-education-research-grants-proposal-guidelines">http://www.nln.org/professional-development-programs/grants-and-scholarships/nursing-education-research-grants/nln-nursing-education-research-grants-proposal-guidelines</a>
SVS Foundation	Health	Vascular Disease Clinical Research Seed Grant Program	3/1/2019		\$25,000	The PI must be an SVS Active Member within the first 10 years of practice. PI salary, institutional overhead expenses, major equipment and travel expenses are not allowed.	Supports early-career vascular surgeons in clinical research. Preference is given to clinical studies that focus on one of SVS' nine Clinical Research Priorities: <a href="https://vascular.org/research-quality/clinical-research/clinical-research-priorities">https://vascular.org/research-quality/clinical-research/clinical-research-priorities</a>	Online Application	<a href="https://vascular.org/career-tools-training/clinical-research-seed-grants">https://vascular.org/career-tools-training/clinical-research-seed-grants</a>
Fahs-Beck Fund	Mental Health	Faculty/Post-Doctoral Research Grants	4/1/2019		\$20,000	Grant period of up to 2 years	Supports studies designed to develop, refine, evaluate, or disseminate innovative interventions designed to prevent or ameliorate major social, psychological, behavioral, or public health problems affecting children, adults, couples, families, or communities	Emailed Application	<a href="http://www.fahsbeckfund.org/pdf_files/Post_Doctoral_Guidelines.pdf">http://www.fahsbeckfund.org/pdf_files/Post_Doctoral_Guidelines.pdf</a>
Angelman Syndrome Foundation	Health	Biannual Research Grants	4/15/2019	\$100,000	\$200,000	Grant period of up to 2 years; indirect costs of up to 10%	Supports pre-clinical, translational, and clinical research projects that investigate any or all aspects of Angelman syndrome. Priority will be given to pilot projects that test new ideas about pathogenesis and therapeutics of Angelman syndrome, translational research, and clinical research studies. Of particular interest are studies related to communication, behavioral issues, and identification of issues and treatments that impact the daily life of people with Angelman syndrome and their families.	Emailed Application	<a href="https://www.angelman.org/research/call-for-proposals/">https://www.angelman.org/research/call-for-proposals/</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherise Montgomery (an7026@wayne.edu or 7-1162) to discuss applications. Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
A Kids' Brain Tumor Cure Foundation	Health	Brain Tumor Research Grants	Rolling	\$100,000	\$500,000	LOI only; funding may be from 1-3 years	Supports basic and translational research that can advance understanding of the underlying biology of the development and treatment of PLGA tumors	Online Application	<a href="https://akidsbraintumorcare.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/">https://akidsbraintumorcare.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/</a>
Simons Foundation	Science	Mathematics and Physical Sciences	Rolling	\$10,000	\$500,000	LOI submission only. Applicants notified of a decision within two months of LOI submission.	The program is intended to support high-risk theoretical mathematics, physics and computer science projects of exceptional promise and scientific importance on a case-by-case basis.	Online application	<a href="https://www.simonsfoundation.org/grant/targeted-grants-in-mps/">https://www.simonsfoundation.org/grant/targeted-grants-in-mps/</a>
Laura and John Arnold Foundation	Social Science	Moving the Needle	Rolling	\$1,000,000	\$5,000,000	Letter of interest only, full proposal invited. Must choose from list of programs listed in RFP.	The Moving the Needle initiative seeks to spur expanded implementation of social programs that have been rigorously shown to improve important life outcomes in order to make significant headway against U.S. social problems. <b>Must coordinate with Foundation Relations.</b>	Email submission	<a href="http://www.arnoldfoundation.org/wp-content/uploads/Moving-the-Needle-RFP.pdf">http://www.arnoldfoundation.org/wp-content/uploads/Moving-the-Needle-RFP.pdf</a>
Cigna Foundation	Health	World of Difference Grants	Rolling		\$100,000	LOI submission only	The overall World of Difference focus is health equity, helping people overcome barriers to their health and well-being related to factors such as ethnicity, race, gender, age, geography, or economics. Cigna is interested in innovative, USA-based Community Health Navigation, which includes projects and programs aimed at connecting individuals to better health through the efforts of trusted neighbors and organizations. <b>Must coordinate with Corporate Relations office.</b>	Online Application	<a href="http://www.cybergrants.com/cignagiving/">http://www.cybergrants.com/cignagiving/</a>
Comcast	Computer Science	Research Grants	Rolling	\$3,000	\$100,000	Typically supports one-year projects. Will consider multi-year projects but will only fund one phase at a time with no guarantee of continued funding.	Research Grants can be general or targeted. A general research grant provides an unrestricted award of funds to support researchers. These grants are focused on supporting excellent technical research in a wide variety of fields that are relevant to the broadband industry and/or to Comcast specifically. Targeted research grants are more narrowly tailored and typically study more specific issues. <b>Must coordinate with Corporate Relations.</b>	Online Application	<a href="http://innovationfund.comcast.com/">http://innovationfund.comcast.com/</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherise Montgomery (an7026@wayne.edu or 7-1162) to discuss applications. Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Comcast	Computer Science	Open Source Development Grants	Rolling	\$3,000	\$100,000	Typically supports one-year projects. Will consider multi-year projects but will only fund one phase at a time with no guarantee of continued funding.	Open Source Development Grants are intended to fund new or continued development of open source software in areas of interest to Comcast or of benefit to the Internet and broadband industries. <b>Must coordinate with Corporate Relations.</b>	Online Application	<a href="http://innovationfund.comcast.com/">http://innovationfund.comcast.com/</a>
Smith Richardson Foundation	Social Science	Domestic Public Policy Program	Rolling	\$25,000	\$104,000	Concept papers accepted, full proposals invited.	The Domestic Public Policy Program supports projects that will help the public and policy makers understand and address critical challenges facing the United States. To that end, the Foundation supports research on and evaluation of existing public policies and programs, as well as projects that inject new ideas into public debates. <b>Must coordinate with Foundation Relations.</b>	Mail	<a href="https://www.srf.org/programs/domestic-public-policy/">https://www.srf.org/programs/domestic-public-policy/</a>
Lockheed Martin	Education	STEM education and military and veteran causes	Rolling			One-year grants.	Lockheed Martin is committed to a program of philanthropy that supports the Corporation's strategic business goals and invests in the quality of life in the communities where our employees work and live. <b>Must coordinate with Corporate Relations.</b>	Online Application	<a href="http://www.lockheedmartin.com/us/who-we-are/community/philanthropy.html">http://www.lockheedmartin.com/us/who-we-are/community/philanthropy.html</a>
Robert Wood Johnson Foundation	Health	Evidence for Action: Investigator-Initiated Research to Build a Culture of Health	Rolling	\$185,000	\$440,000	Grant period is up to 36 months.	Supports rigorous, high-impact, creative research projects to build and disseminate information for evidence-based approaches to building a Culture of Health. The program will also support efforts to assess outcomes and set priorities for action by encouraging and supporting creative, rigorous research on the impact of innovative programs, policies and partnerships on health and well-being, and on novel approaches to measuring health determinants and outcomes. <b>Must coordinate with Foundation Relations.</b>	Online Application	<a href="https://anr.rwjf.org/viewCfp.do?cfpid=1224&amp;cfpOverviewId=">https://anr.rwjf.org/viewCfp.do?cfpid=1224&amp;cfpOverviewId=</a>
Thrasher Research Foundation	Health	E.W. Al Thrasher Award	Rolling	\$100,000	\$500,000	Awards grants two times per year, with no fixed number of awards given in each funding cycle or in each year.	Funds to improve children's health through medical research, with an emphasis on projects that have the potential to translate into clinically meaningful results within a few years. Open to applications that address a variety of significant pediatric problems. Both incidence and severity are considered when determining the significance of the proposed topic.	Email LOI	<a href="https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx">https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx</a>
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Investigator Initiated Research Program	Rolling	\$50,000	\$75,000	If the project is exceptional, they will consider increasing or extending funding.	To make a significant contribution to health care knowledge and its application to improve health by supporting research and effective demonstration and evaluation projects and developing innovative and socially responsive health initiatives. <b>Must coordinate with Foundation Relations.</b>	Mail application	<a href="http://www.bcbsm.com/content/dam/microsites/foundation/investigator-initiated-program.pdf">http://www.bcbsm.com/content/dam/microsites/foundation/investigator-initiated-program.pdf</a>
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Physician-Investigator Research Award	Rolling		\$10,000	Does not support basic science, biomedical research, or studies using animals.	Enables physicians to explore the merits of a research idea who propose a pilot study, feasibility study or small research study. <b>Must coordinate with Foundation Relations.</b>	Mail application	<a href="http://www.bcbsm.com/content/dam/microsites/foundation/physician-investigator.pdf">http://www.bcbsm.com/content/dam/microsites/foundation/physician-investigator.pdf</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
A Kids' Brain Tumor Care Foundation	Health	PLGA Tumor Research	Rolling	\$50,000	\$300,000	LOI submission only; grant periods range from 1-3 years	Supports basic and translational research projects that can advance understanding of the underlying biology of the development and treatment of pediatric low-grade glioma (PLGA) tumors.	Online LOI	<a href="https://akidsbraintumorcare.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/">https://akidsbraintumorcare.org/medical-research-on-childhood-brain-tumors/apply-for-a-plga-sponsored-grant/</a>
Autism Speaks	Health	Suzanne and Bob Wright Trailblazer Award Program	Rolling		\$100,000	Applicants must have a track record of research experience.	Funding is restricted to projects that identify risk factors for ASD that can lead to prevention and improved diagnosis and treatment; lower the age at which ASD is detected and improve access to early intervention for children with ASD; enhance quality of and access to medical care for individuals with ASD; promote the development of safe, effective interventions and medicines to reduce core and associated symptoms of ASD throughout an individual's lifespan; and improve the health and outcomes of adults with ASD from a lifetime perspective.	Online Application	<a href="http://www.autismspeaks.org/sites/default/files/docs/sciencedocs/grants/trailblazer_rfa_2013_4-2-13.pdf">http://www.autismspeaks.org/sites/default/files/docs/sciencedocs/grants/trailblazer_rfa_2013_4-2-13.pdf</a>
Arcus Foundation	Social Science	Social Justice Grants	Rolling	\$25,000	\$500,000	Initial Funding Concept is due before LOI.	Working on national, regional, and international levels, Arcus contributes to the development of a global movement integrating sexual orientation and gender identity into shared conceptions of human rights. Applications are accepted for International Human Rights, U.S. Social Justice, or Global Religions.	Online Application	<a href="http://www.arcusfoundation.org/what-we-support/social-justice-lgbt/">http://www.arcusfoundation.org/what-we-support/social-justice-lgbt/</a>
Michael J. Fox Foundation for Parkinson's Research	Health	Rapid Response Innovation Awards	Rolling		\$75,000		Supports innovative, high-risk, high-reward projects tackling critical scientific and therapeutic roadblocks that, if successful, open new avenues for PD therapy development. The program is well suited to projects with little-to-no existing preliminary data, but where hypothetical rationale is highly compelling and study results can make the case for continuing (or discontinuing) a line of research. Applicants may submit on any PD-relevant area of basic, preclinical and/or clinical research with a clear, achievable one-year goal.	Online Application	<a href="https://www.michaeljfox.org/research/grant-detail.php?id=3">https://www.michaeljfox.org/research/grant-detail.php?id=3</a>
Public Welfare Foundation	Social Science	Juvenile Justice	Rolling	\$10,000	\$800,000	Does not fund scholarships.	<b>Supports groups working to end the criminalization and over incarceration of youth in the United States. In particular, the Program makes grants to groups that are working to (1) Advance state policies that restrict the juvenile justice system's use of incarceration and expand the use of community-based programs for youth, (2) End the practice of trying, sentencing, and incarcerating youth in the adult criminal justice system; and (3) Promote the fair and equitable treatment of youth of color who come into contact with the juvenile justice system. Must coordinate with Foundation Relations.</b>	Online Application	<a href="http://www.publicwelfare.org/grants-process/">http://www.publicwelfare.org/grants-process/</a>
Home Depot	Community Development	Community Impact Grants	Rolling		\$5,000	Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services.	Grants for projects that use the power of volunteers to improve the physical health of the community. The primary goal of the grant program is to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities. The 2018 program opened on February 1, 2018. This is a limited submission opportunity. <b>Must coordinate with Corporate Relations.</b>	Online Portal	<a href="https://corporate.homedepot.com/grants/community-impact-grants">https://corporate.homedepot.com/grants/community-impact-grants</a>

Upcoming Opportunities - December 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) or Cherisse Montgomery (an7026@wayne.edu or 7-1162) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Notes	Purpose	Submission Method	Website
Wish You Well Foundation	Education	Grant Program	Rolling	\$200	\$10,000		Supporting family literacy in the United States by fostering and promoting the development and expansion of new and existing literacy and educational programs.	Online or Mail Application	<a href="http://www.wishyouwellfoundation.org/apply-for-funding/">http://www.wishyouwellfoundation.org/apply-for-funding/</a>
The Nathan Cummings Foundation	Science	Climate Program	Rolling	\$3,000	\$950,000		Supports promising work that addresses climate change by increasing access to modern energy for the world's poor; stabilizing greenhouse gas concentrations in the atmosphere at a low level; and improving resilience for those most vulnerable to the negative consequences of climate variability and change.	Electronic Application	<a href="http://ncf.org/what-we-fund/our-focus/climate">http://ncf.org/what-we-fund/our-focus/climate</a>
Merck	Health	Patient Advocacy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Patient Advocacy grants are provided to non-profit organizations to support non-accredited independent education and related advocacy activities that seek to improve consumer/patient disease and treatment awareness in specific disease categories. Examples of activities that may be eligible for support include disease awareness campaigns and public service announcements.	Online Application	<a href="https://www.mercksupport.com/cme/(S(ah1rai45mlsfx355ci02co2b))/Portal/PatientAdvo.aspx#">https://www.mercksupport.com/cme/(S(ah1rai45mlsfx355ci02co2b))/Portal/PatientAdvo.aspx#</a>
Merck	Health	Public Policy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Public Policy grants support independent events or activities that (1) promote public policies that foster an environment for innovation in the bioscience industry or improve patient access to medicines or health care in general; or (2) facilitate opportunities to engage in constructive discussions on policy issues with organizations representing state or federal officials. Eligible organizations are 501c(3), 501c(4), or 501c(6) organizations and include groups representing federal officials, biotechnology associations, think tanks, policy advocacy coalitions/groups, health professional associations, and business organizations.
