

Click [this link](#) to join the event.

1. When it asks to “Open Zoom meetings?” click “Cancel.” (It’s counterintuitive, we know!)

2. Click the last line of text that says, “Join from your browser.”

When system dialog prompts, click **Open Zoom Meetings**.

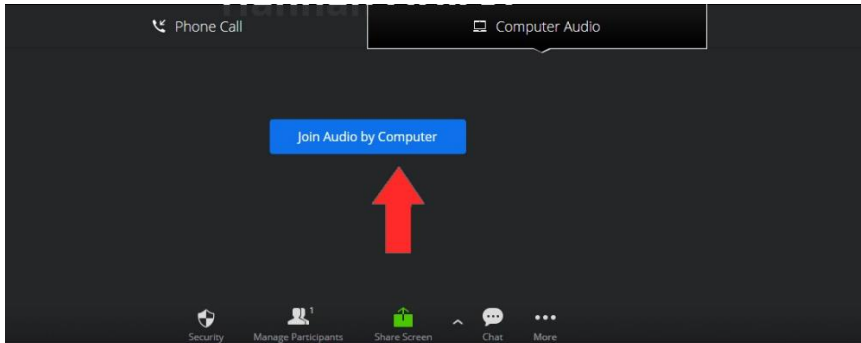

If you have Zoom Client installed, [launch meeting](#). Otherwise, [download and run Zoom](#).

If you cannot download or run the application, [join from your browser](#).

3. You may be prompted to write in your name, check “I’m not a robot” in the box, and click **Join**.

A screenshot of the Zoom "Join a Meeting" page. The page has a dark header with navigation links: "REQUEST A DEMO", "1.888.799.9646", "RESOURCES", and "SUPPORT". Below the header are links for "WYOMING STATE UNIVERSITY", "SOLUTIONS", "CONTACT SALES", "JOIN A MEETING", "HOST A MEETING", "SIGN IN", and a "SIGN UP, IT'S FREE" button. The main content area is titled "Join a Meeting" and contains a "Your Name" input field, a reCAPTCHA "I'm not a robot" checkbox, and a "Join" button. A red arrow points to the "join from your browser" link in the text above.

4. If prompted, click “Join audio by computer.”

5. Look at the audio and camera icons at the bottom left of the window.

If the microphone has a red slash, click it to unmute your computer.

If the camera has a red slash, click it to turn on your video.

If it says, “Join Audio,” click it. Then select “Join Audio by Computer” to turn on audio.
